South Saskatchewan Wildlife Association. Com **From The President**

This year has been a positive year for the S.S.W.A. We had an excellent, well attended Gun Show and our rifle draw was a sell out! With continuing pressure on gun owners and challenges around accessing land to hunt on, there is still optimism as we as hunters and sportspeople carry on and adapt to ever changing conditions. There is still strong interest in PAL courses and Hunter education. As always, I encourage the

members to introduce someone new to hunting, fishing and shooting sports.

Senators

Al Campbell, Ken Cornell, John Hales, Wayne Hall, Maxine Leitch, Gene Ward, Gord Ward, Howie Johnson, Kevin Tondevoid, Glenn Chernick, Russ Becker

It is with profound sadness that we announce the loss of two long time members of the SSWA this year. Albert George Campbell and Gordon James Ward.

Albert was one of the original directors of the South Saskatchewan Wildlife Association. He was elected president in 1978, then later he decided to become a senator for the SSWA. Albert passed on May 5, 2023, at the age of 86. If you were lucky enough to have known Albert, you know that he lived life to the fullest. Albert was born on March 17, 1937, in Cardross, Saskatchewan and grew up on the family farm. Albert later moved to Moose Jaw. was heavily involved in the business community and served as President of the

Moose Jaw Chamber of Commerce, he was a member of the Jaycees, and played an integral role in bringing the Ladies World Curling Championship to Moose Jaw in 1983. Albert thank you for your dedication. You will be missed.

Gord was a director for many years and in 1986 he was elected President, then later he decided to become a senator for the SSWA. He passed away peacefully on Sunday, May 7, 2023, at the Dr. F.H. Wigmore Hospital at the age of 87. Gordon was born in Cardross, Saskatchewan, on August 31, 1935. They ranched near Mortlach for 55 years. He loved his horses, music, NASCAR, but most of all spending time with family and friends. Over the years he was very involved with the community, Saskatchewan Wildlife Federation, Ducks Unlimited, Moose Jaw Legion and the Equestrian Unit of the Moose Jaw Shrine Club and the SSWA. Gord thank you for your dedication. You will be missed

SSWA

South Saskatchewan Wildlife Association was founded in 1954 by a group of dedicated people who recognized the need to unite hunters and anglers throughout southern Saskatchewan. In 1957 the purchase of the Aquatic Club, then on the shore of Moose Jaw River, gave the SSWA a home. The building was moved to its present site in 1960 and was renamed the Sportsman Center. Our aims and our objectives are the promotion, propagation and conservation of our wildlife. This includes the protection of the habitat, promotion of farmer-hunter relations and education. Our motto is "Wildlife needs your help" and our logo is a pheasant in flight

Any member interested in attending a directors meeting is more than welcome. These meetings are held on the fourth Tuesday of every month at 7:00 pm at the Sportsman Center or any member interested in becoming a director of the SSWA or interested in participating in any wildlife projects, please contact us at southsaskwildlife@gmail.com. You can purchase a membership from our web page at South Saskatchewan Wildlife Association. Please check your membership and don't forget to renew.

Membership

Why should I have a membership to the SSWA? There are many answers to this question. The most important is by supporting any wildlife group you are helping to support conservation. The SSWA motto is wildlife needs your help. Through our projects and programs and a lot of hard work we are able to achieve this goal. We supply a place to take firearms safety and hunter ed. We also have a range to shoot, a place to train for the biathlon and many more reasons why you should have a membership to the SSWA. I guess the question should have been, where would we be without the SSWA. So! make sure you get your membership.

Awards Night

Awards Night will be held on April 13 2024 at the Sportsmen Center. Doors open at 5:30 pm a Roast Beef supper at 6:30. There will be an Auction, Dart Board, Bucket Draws and Door Prizes. Tickets are \$25 each these are available from any director or email us at southsaskwildlife@gmail.com

SSWA Fin Committee

The SSWA Fin Committee is responsible for all project and activities related to fishing and fisheries.

Youth Fishing Derby: During 2023 a Youth Fishing Derby had been organized for June 3rd in partnership with Buffalo Pound Provincial Park. This free event provides fishing opportunities for youth with a free lunch. Prizes are awarded for the first, largest, smallest and unique catches in three age categories (3-7, 8-11 & 12-15). Unfortunately, due to heavy rainfall, the normally well-attended event was canceled this year.

Trout Fishing Project: During May and June of this year, the SSWA partnered with the Kinsmen Inclusion Center (KIC) in Moose Jaw and Bin There Campground to provide a fishing experience for special needs participants attending the Inclusion Center's day program. Every Friday morning for several weeks a different group of KIC participants fished for trout at Bin There's Campground private trout pond. We are happy to report that every angler attending caught at least one trout and also for many this was the first fish they ever caught.

Provincial Fisheries Advisory Committee (FAC)

The SSWA also holds a seat at the FAC where the committee provides input in the Saskatchewan Provincial Fisheries Management Plan, regulation changes and fisheries projects throughout the province. FAC meetings are held on a regular basis throughout each year. The SSWA solicits input from the SSWA board of directors and its members in relation to the issues discussed at the FAC.

SSWA Fur Committee

The Fur Committee for the SSWA provides maintains membership on the Saskatchewan Wildlife Advisory Committee and is responsible for wildlife related projects and

Wildlife Advisory Committee (WAC)

The WAC meeting regularly a minimum of twice per year to obtain input from provincial stakeholders in Saskatchewan. As a member of the WAC, the SSWA provides input in the Saskatchewan Game Management Plan, regulation changes, the Big Game Draw and requests by interested stakeholders. The SSWA solicits input from directors and members in relation to the management plan and any issue under discussion at the WAC.

2023 Gun Show

“Yes, this does happen”. We ran out of raffle tickets before we held our own gun show, so we decided to have a 50/50 draw. There were two draws, one for each day. The first day winner received \$840, second day winner received \$345 it was all based on ticket sales per day. Unfortunately, we did not get a photo of the first day winner but we did for the second day winner. Mr. Ferguson bought his ticket late Sunday afternoon and when I called him, he was very happy to drive back to receive his prize. This was a good idea, the people liked it and we are going to try it again at our next Show.

Here's Doug Ferguson receiving his Winnings from SSWA Director Harry Horejda

Biathlon

Many youths come through our programs every year. Learning to precision target shoot or Biathlon. These youth learn the fundamentals of safety, sportsmanship and rules of the sport. They have varying interests from recreational to more competitive levels. We have had athletes on Provincial and National teams travelling across Canada and overseas.

In 2023 a young lady named Kaycee Nord out did herself by qualifying to represent Saskatchewan at the Canada Winter games in Prince Edward Island. After returning she had a short break and then flew to Val Cartier Quebec with team Sask. to compete in Canadian Biathlon Nationals.

Kaycee started with the SSWA Biathlon club as a youngster shooting air rifle and then .22 LR rifles. She found a love for the sport and our club. With hard work, and dedication she stuck with and excelled at this difficult sport.

Kaycee graduated in June and is now studying at the U of S in Saskatoon.

We are all very proud of Kaycee and wish her the very best in her future endeavors.

Range

Did you know Moose Jaw has a gun range? It's one of the best kept secrets in town! We have a really nice newly renovated range with upgraded backstop and retractable targets. We are a federally certified range and we are able to accommodate common handgun cartridges like .22 LR, 9mm, .40S&W, .45ACP, .45 Colt and .357 Magnum. Anything with higher energy is not allowed. There are many not so common calibers that are safe to shoot but not mentioned. Check with any of our range officers for further information and which bullet designs are acceptable. We allow .22 LR rifles only.

SOUTH SASKATCHEWAN WILDLIFE ASSOCIATION

If you already own your own firearms or are interested in learning to shoot, stop by the range Thursdays 7:00 pm -9:00 and Sundays 1:00-4:00pm.

Range Officers for the SSWA are Kelly Martin, Don Park, Paul Moerike, Nolan Shaheen, Leonard Davey, Michael Hunt, Peter Harris
The SSWA range was put into service in the

1950's. After many years of service, we had to make a decision on what to do with our range moving forward. After tens of thousands of dollars and many volunteer hours, we can now boast of having one of the nicest ranges in the province. We upgraded the backstop with heavier steel and added a retractable target system. For the convenience of the shooters, there are less restrictions on the caliber and ammunition used. The target system allows the shooters to continue shooting and retrieve targets at their convenience therefore providing more safety. If interested in shooting handguns come visit our range.

If you want to add more purpose to your fishing season then keep on reading: When you catch a fish you feel is worthy of consideration you can submit your entry by filling out the attached form and emailing to the Awards Director, Mike Coupland, email mijocoupland@gmail.com OR make your life even easier and simply provide two pictures via your cell phone; one showing you holding your fish and one showing the fish on your digital scale so the weight can be easily read. In both cases your name and membership number are required. If using your cell phone to provide digital evidence of your catch (perfect for catch and release) send to my cell at 306 630-5877. Champion Angler Awards:

Junior Champion Angler: One fish best weight (Must be 12 years of age or under when fish is caught)

Novice Champion Angler: One fish best weight (Must be 13-16 years of age when fish is caught)

(Walleye 2.7 kg divided by 1.6 kg=168% OR in imperial weights 5.9lb divided by 3.5=168%). In other words **the fish** with the highest percentage based on the SSWA Minimum Qualifying Weights per fish category will be the winner. SSWA Minimum Qualifying Weights are: Walleye 1.6kg 3.5lb; Pike 2.9kg 6.4lb; Perch 0.29kg 0.65lb; Whitefish 1.13kg 2.5lb; Rainbow 1.13kg 2.5lb; Brook 0.45kg 1.0lb; Laker 2.6kg 5.7lb; LmBass 1.9kg 2.4lb
