

2019

South Saskatchewan Wildlife Association. Com

From The President

I would like to introduce myself. I'm Don Park. I live on a farm near Spring Valley. People that know me can attest to my dedication to involving new people in shooting and outdoor activities. I am a Firearms Safety/Hunter Education instructor, Biathlon coach and Rifle and Pistol coach.

Growing up on farm learning to hunt and trap, firearms were an everyday tool and only used responsibly . Times have changed and we are losing that connection with the outdoors. My challenge to everyone is to take someone new outdoors. Go for a hike in the hills, show them some deer in their natural habitat, shoot some tin cans. Take someone hunting or fishing. Whatever you do will have a lasting impression. Always treat landowners with courtesy and respect, we need them and they need us.

Don Park
(President SSWA)

Any member interested in attending a Director's meeting is more than welcome. These meetings are held on the fourth Tuesday of every month at 7:00 pm at the Sportsman Centre.

Any member interested in becoming a director of the SSWA or interested in participating in any wildlife projects, please contact us at southsaskwildlife@gmail.com

Please remember to check your membership and don't forget to renew. You can purchase a membership from any Director or download a membership form from our webpage.

The South Saskatchewan Wildlife Association was founded in 1954 by a group of dedicated people who recognized the need to unite hunters and anglers throughout southern Saskatchewan.

In 1957 the purchase of the Aquatic Club, then on the shore of Moose Jaw River, gave the SSWA a home. The building was moved to its present site in 1960 and was renamed the Sportsman Centre.

Our aims and our objectives are the promotion, propagation and conservation of our wildlife. This includes the protection of the habitat, promotion of farmer-hunter relations and education.

Our motto is "Wildlife needs your help" and our logo is a pheasant in flight.

PRITCHARD, William

We recently lost another long time member and director of the SSWA.

William Lewis Pritchard, passed away in February. Bill loved spending time in the outdoors. He was also very active in our range and chaired the Range Committee for many years. He was instrumental in the upgrades to our range and was a driving force in the SSWA, his dedication will soon not be forgotten.

SSWA Predator Rifle Raffle

The winner of the 2018-2019 Raffle was Hartley W. of Minton Sask. Hartley will surely enjoy his package in the upcoming years. TIKKA T3XC .243 calibre rifle, Vortex 10x42 Diamondback Roof Prism Binos, Vortex Diamondback 4-12x40 BDC reticle scope, 12 to 29.5 extending and pivoting bipod, Snow Camo coverups, hiviz vest, hiviz headgear, arctic trigger mitts, predator call, predator hunting DVD, sno wrap, spare ammo carrier, sling, sno camo balaclava, and silicone treated storage gun sock.

THE NEW SSWA PREDATOR RIFLE RAFFLE 2019-2020

This years raffle (License No.SR18:3829) official draw date 05 March 2020. This year's raffle package includes Tikka T3XC 243 cal rifle, Vortex Diamondback 10x42 Roof Prism binos, Vortex Diamondback 4-12x40 BDC reticle scope, 1000lumen flashlite and accompanying red/white lens headlite, 12-29 pivoting, extenable bipod,

Sno Camo coverups, Sno Camo balaclava and Arctic trigger mits\ts, HI VIZ hat, toque, and vest, Predator Call, Predator Hunting DVD, sno wrap, sling, spare ammo carrier, and a silicone treated storage gun sock.

Such is the way of life

Signs

The SSWA fully promotes good relations between hunters and landowners. If you are a landowner or know of one who wishes to promote hunting on foot or hunting with permission on their property we can help you. Our organization has

prepared signs that you can get and post on your property which make it clear to hunters how they can have access to your property. Contact Ted Nagel or any Director for appropriate sign.

Membership

Why should I have a membership to the SSWA? There are many answers to this question. The most important is by supporting any wildlife group you are helping to support conservation. The SSWA motto is wildlife needs your help. Through our projects and programs and a lot of hard work we are able to achieve this goal. We supply a place to take firearms safety and hunter ed. We also have a range to shoot, a place to train for the biathlon and many more reasons why you should have a membership to the SSWA. I guess the question should have been where would we be without the SSWA. So make sure you get your membership. Email us at southsaskwildlife@gmail.com also checkout our webpage.

Awards Night

Awards Night will be held on April 4, 2020 at the Sportsmen Centre. Doors open at 5:30 pm a Roast Beef supper at 6:30. There will be an Auction, Dart Board, Bucket Draws and Door Prizes. Tickets are \$25 each these are available from any director or email us at southsaskwildlife@gmail.com

Biathlon

Our biathlon program is doing better than ever with a record number of youth and parents involved. We are seeing more athletes moving on to more competitive levels. Come check us out Tuesday evening from 6:30-8:30 at the range

SSWA Trivia night

If you and your friends want to be placed on the contact list to be notified when the next SSWA TOP TRIVIA NITE will be held email Trivia Coordinators Harry or Sharon Horejda hshorejda@shaw.ca and we will email you when our next Trivia Nite is. We always hold these on a Friday Night, a great way to start the weekend. We feature seven rounds of ten questions each plus two special supplemental activities to test your Trivia knowledge. Your cost to play is \$5.00 per person. The event is fully licensed with a bar for your pleasure. Snack trays are also available for purchase. You will see our announcements on Shaw TV, MJ Express, The Weekly Bean, DISCOVERMOOSEJAW.com, and posters will be found around town.

FIN

S.S.W.A. YOUTH FISHING DERBY

Next Years Derby June 06 2020 11am to 2pm Buffalo Pound Provincial Park Trout Pond

Fishing is from 11am - 2pm with presentations to follow.

Lunch provided from 11:30-1:00

Age groups are: 3-7, 8-11 and 12-15 Prizes will be awarded for each age category.

All anglers are asked to bring their own fishing gear and a life jacket is required. We ask that an adult accompany all children for safety reasons.

Anglers will fish from shore.

Catch and release facilities will be available for any anglers wishing to return their catch to the river.

Registration is free but is limited to 24 participants

To register for the derby or if you have any further questions feel free to contact

Tim Yates

at 693-4929 or timyates@sasktel.net

FUR

Our motto is "Wildlife needs your help". The SSWA has proudly worked with Saskatchewan Environment and other organizations to assist in the understanding of wildlife habitats, populations, herd structures and other species specific issues.

Chronic Wasting Disease (CWD) : CWD is present in mule deer, white-tailed deer, elk, moose and caribou. CWD is on the rise, in some areas it has been detected in approximately 75per cent of farmland wildlife management zones in the province.

Chronic wasting disease is an infectious protein called a prion. It is dropped or spread to the soil through feces, urine and saliva. The prion can be brought up through the photosynthesis activity into a plant, and then it's a very difficult disease to try to control.

SSWA and the Ministry of Environment are encouraging all hunters to have their game tested for chronic wasting disease anywhere in Saskatchewan they harvest an animal.

Get your heads tested by dropping them off at ministry offices or specified drop off locations. These drop off locations and information on how to generate a CWD tracking tag online and how to submit the labelled samples can be found at

Saskatchewan.ca/cwd and cwdsk.ca

There is no cost for the testing and samples are being accepted from any Wildlife Management Zone (WMZ) in the province.

Saskatchewan Ministry of health recommends that hunters NOT eat CWD contaminated animal that has been classified as positive, get your heads tested.

It is recommended that hunters avoid the use of mineral licks, baiting and feeding which congregate the animals, increasing the spread of the infection

Another current issue is the Hunter Harvest Survey. Due to low response rates in the past, mandatory hunter harvest surveys are being proposed for the future. These surveys are critical in helping evaluate game population. Wildlife biologists rely on this information to better understand how game populations are responding to current management strategies.

Since hunting laws are subject to change on a yearly basis, it's important for all hunters to keep track of bag limits, season dates, and important wildlife management issues.

This information is in the Saskatchewan hunting and

trapping guide issued with your licence at no charge or online.

Remember poachers and polluters can have a very negative affect on wildlife and habitat, so call the TIP service if you suspect any fishing, wildlife

or environmental resource violations at 1-800-667-7561 24-hr, seven days a week.

Paul Moerike

Feather

The SSWA pheasant program raised and released 260 pheasants. We hatched eggs and purchased day old birds. At 8 weeks old the birds were released to 8 different locations in southern Saskatchewan, including Wood River, Moose Jaw River valley, the Shamrock area, and Fir Mountain.

Our 2019 pheasant program was greatly improved with the construction of a new pheasant pen. Huge thanks to Tony Oberding for the tremendous amount of time and work he put into

building the new coop and 50ft x 50ft run!

Thanks also to all those who participated in transporting and releasing pheasants.

Presently we have only 2 individuals raising pheasants for the club. If you or someone you know is interested in helping with the raising /releasing of pheasants, please let us know. Bob McLarty

Gun Show

MARCH 7th and the 8th 2020 The Moose Jaw Gun Show Will Be Held at The M.J Convention Centre Exhibition Grounds 250 Thatcher Dr.E Saturday 10 am to 5 pm Sunday 10 to 3pm For Further Info Contact Don Park at 306-631-5047 or Email donpark454@gmail.com Allen at 306-631-6601 or Email aodyck@sasktel.net

CANADIAN FIREARM SAFETY CERTIFICATION AND SASK HUNTER EDUCATION YOUTH CERTIFICATION.

THE MOOSE JAW FIREARM SAFETY/HUNTER EDUCATION INSTRUCTOR GROUP continues to provide classes enabling youth and adults to achieve the required certification to obtain a POSSESSION AND ACQUISITION LICENSE (PAL OR RPAL) and SASK HUNTER EDUCATION CERTIFICATION.

NOTE: * ONE MUST BE 18 YEARS OLD TO APPLY FOR A PAL.

Students younger than 18 minimum age 12 who pass the Cdn Firearm Safety course are given documentation to save until they are 18 which proves they passed the course.

The MJFAS/HED Instructor Group has recently modified their method of delivery of services. This is the format we now follow:

1. We teach the CFSC, review of the online SASK HUNTER ED COURSE, provide hands on Firearm instruction and administer the SHED comprehensive written and Practical Handling test, the CFSC Written and Practical Test on a Friday evening and Saturday am/pm . (8 hr CFSC plus SHED Review and Testing totalling around 11.5-12 hours)
2. We want our students to FIRST do their Sask Hunter Ed Online go www.saskhuntered.ca, click on online courses, register with your credit card, do the 12 chapters. When you have passed your 12 chapter on line course and printed off your report card you can register on our website for one of our two day courses. Google MJHuntered google sites. The website gives you directions how to do the Registration and payment for the 2 day course.
3. If you are having trouble accessing the website contact Al Dailey daileya@sasktel.net, HW Horejda hshorejda@sasktel.net, Don Park donpark454@gmail.com.
4. Course schedule is early Sept, Early Jan, and the weekend after Easter. Check out the MJHuntered website, the SSWA website, and the MJWF website for more info.

Range

Range Officers

Range Officers for the SSWA are Allen Miller, Kelly Martin, Allen Dyck, Don Park, Paul Moerike, Jesse Chase, Nolan Shaheen, Leonard Davey, .

A little Blurb from the Range.

Just a few new things involving the range. Our yearly memberships are now \$100.00 in total, paid by cheque or cash and we will now be selling the 2020 memberships as well.

Our range has a Shiny! New! retractable target system. No more waiting to go down range to swap targets, just hit the switch and presto! You can now shoot at either 10 or 20 yards!

We are doing a, “new to our range” shooters qualification. I know what you’re thinking, “Oh man ! A test! Just to come and shoot a few rounds? Really !?”. Well let me put your mind at ease. This “qualification” involves us just making sure you handle firearms safely. We will also go over the new range rules followed by shooting our club .22’s. You can book this through one of our Range Officers.

We made one more investment. We have new guns for all our club members to use!!! We invested in two brand new Stainless Steel Ruger MKIV Target .22’s, a Smith And Wesson M&P 2.0 in 9MM. We also have a S&W .357 Magnum and a S&W .22 Revolver.

Our qualification is not intimidating at all! All of our range officers are very easy going and experienced shooters. You’ll find that this “qualification” is actually a good time... and there’s free coffee! All you need is your

membership and the willingness to learn. For more information or to come and hang out. Please feel free to stop by the range, grab a cup of “extra strong” coffee, take a seat on the couch (we also have new couches now!) and hangout with like minded enthusiasts.

South Saskatchewan Wildlife Association

Range Rules

Revised July 2019

- 1- The range officer has final say on all things involving the range. Range officer commands must always be followed.
- 2- No food, beverages, or smoking allowed in the shooting area. No alcohol or drugs will be permitted. If a person is suspected of being under the influence of any substance that would influence their actions or decisions, or put in danger the safety of others, that person will not be allowed to shoot and will be asked to leave. Any shooter that is deemed to be un-safe will be asked to cease fire and will be re-orientated at the discretion of the range officer. If the shooter continues unsafe behavior, they may be asked to leave.
- 3- If damages occur that are caused by negligence, it will be the shooters responsibility to pay for the repairs.
- 4- Hearing and Eye protection must be worn in the shooting area. No exceptions. Everyone has the right to call cease fire if they feel it is warranted.

The steps to a cease fire are as follows;

- A- Firearms are unloaded, magazine removed.
 - B- Firearms are laid on the shooting mat on the table, Muzzles pointed in a safe direction down range, with the chamber facing up for visual inspection, if using a revolver, the cylinder must be left open.
 - C- All shooters step back from the firing line, behind the "cease-fire" line.
 - D- No Handling of the firearms until the range officer gives the all clear.
- 5- During a power failure and if the emergency backup lights fail. These procedures must be followed.

Do not panic

Remove your finger from the trigger immediately.

Do not move from fire line position.

Keep firearm pointed down range.

Do not try to disarm your firearm.

A range officer equipped with a flashlight will instruct each shooter on the firing line.

Shooters on the firing line will disarm their firearm with the assistance of the range officer.

6- It is the shooters responsibility for range clean up at the end of the shooting session. The range officer may designate one or more people for range clean up if necessary.

7- Holsters or speed rigs are not permitted on the range, only the standing shooting position is permitted; there is a shooting rest available for use.

8- All new shooters will go through an orientation night to be held Wednesday evenings this includes shooting one of our club guns to verify that the new shooter can safely handle a firearm. And to ensure a certain level of firearms proficiency and safe handling. All firearms and ammunition must be approved by the range officer. Guests are allowed but must buy a \$20.00 S.S.W.A membership to be covered by our insurance, if guests do NOT have a P.A.L they must be accompanied by someone with a P.A.L and must be under their direct supervision and within arm's reach during shooting, guests may only shoot for three sessions, then they must buy a full membership to continue shooting.

9- Firearms must always be pointed down range. The firearm must always be treated as if its loaded, follow acts and prove.

Assume every firearm is loaded

Control the muzzle direction at all times

Trigger finger must be kept off the trigger and out of the trigger guard

See that the firearm is unloaded

PROVE it safe.

Point the firearm in the safest available direction

Remove all ammunition

Observe the chamber

Verify the feeding path

Examine the bore each time you pick up a firearm

10- Our club guns may be used free of charge by range members. Members may supply their own FACTORY ammo. We do not allow re-loaded am- nition in our club guns due to warranty; you may also buy ammunition at the range. The firearms must be cleaned when done shooting, we have the following firearms available.

Smith and Wesson .22lr revolver.

Ruger MKIV .22lr Target.

Smith and Wesson .357 magnum (.38 special may also be fired).

Smith and Wesson M&P 2.0 in 9MM

11- Red light indicates that the range is active and the range door to the shooting line must remain closed, green light indicates that it is safe to enter the range, firearms must remain cased and locked until light is red.

12- Only one firearm and one magazine may be used at a time.

13- We do not allow center fire rifles, black powder (rifles or pistols) or shotguns. The only rifles permitted will be .22LR (no .17 HMR).

14- Ammunition allowed/not allowed

Copper plated/ copper jacketed and lead bullets are permitted.

No steel core surplus ammo.

Reloaded ammunition is allowed, however. The shooter will be held responsible for any damages or injuries that may occur.

Hollow points are not allowed. Except for .22lr

Ammunition being fired must not have a muzzle energy exceeding 600 ft lbs. it will be up to the shooter to provide a chronograph print out if proof is required.

15- Common Calibers permitted are as follows.

.22 short and .22LR, (hollow points are permitted for rim fire)

“NO” .17HMR

9 MM .40 S&W .45ACP .38 Special .357 Magnum, .44 Special, .45 LC
7.62x25 will be permitted as long as it's not surplus steel core
ammunition

16- If there are a large number of shooters using the range, a time limit may be imposed at the discretion of the range officer.

17- Keep your finger off the trigger when raising and lowering the firearm to or from your shooting position. This is to avoid accidentally shooting anything other than the target. Contact the trigger only when your firearm is pointing at the target.

18- All uncased revolvers must have the cylinder open and unloaded, all single action revolvers that use a loading gate with a non-opening cylinder must use an Empty Chamber Indicator, All semi-automatics must have the slide locked open and the magazine removed. This rule should be followed when showing the firearm.

SSWA RULES AND REGULATIONS FOR AWARDS

1. Must be a current member of the SSWA prior to the catch or harvest of his or her trophy.
2. All trophies entered must be taken within Saskatchewan in the current year. Fish caught in border lakes that recognize a Saskatchewan Licence also count as caught within Sask.
3. It is the responsibility of the owner, to enter their trophy to the SSWA's Awards Committee.
4. All fish and game birds require the signature of a witness and must be weighed on a digital scale. Or a photo evidence of the fish or game bird with the weight registered\showing on the scale is acceptable. The same photo evidence is required for catch and release situations.
5. Big game animals must be scored by Boone & Crockett, Henry Kelsey and Pope & Young standards by an individual certified to conduct the measurements.
6. All entries must be submitted by January 15th of the following year and are only eligible for the calendar year in which they were taken. Send your entries to mikecoupland@sasktel.net Trophy Chair SSWA.
7. Application forms for awards are available online at the SSWA website southsaskwildlife@gmail.com ,or from any director of the SSWA.
8. Any dispute will be resolved by the SSWA directorate.
9. Award Categories will include:
 - ● BEST BIG GAME ANIMAL TAKEN WITH A RIFLE (Rifle Trophy)
 - ● BEST BIG GAME ANIMAL TAKEN WITH A MUSKET (Black Powder), (Best Big Game scores are calculated by the Henry Kelsey minimum score divided into the actual score, multiplied by 100 = percentage. eg. $(165/173 \times 100 = 104.84\%)$)
 - ● JR HUNTERS 16 AND UNDER
 - ● JR CHAMPION ANGLER: One Fish Best Weight (Must be 12 years of age or under when fish is caught.)
 - ● NOVICE CHAMPION ANGLER: One Fish Best Weight (Must be 13-16 years of age when fish is caught.)

Jr and Novice trophies will be calculated by the SSWA Minimum Qualifying Weight divided into the actual weight, multiplied by 100 = percentage. eg. (Walleye 2.7kg divided by 1.6kg=168% or in imperial weights 5.9lb divided by 3.5=168%).

SSWA MINIMUM QUALIFYING WEIGHTS:

Walleye 1.6kg 3.5lb; Pike 2.9kg 6.4lb; Perch 0.29kg 0.65.b; White Fish 1.13kg 2.5lb; Rainbow 1.13kg 2.5lb; Brook 0.45kg 1.0lb; Lakers 2.6kg 5.7lb; LmBass 1.09kg 2.4lb.

- ● ADULT CHAMPION ANGLER 17 YEARS OF AGE AND OVER:
- ● The total weight of three fish species with a combination including: 1 Pike; 1 Walleye; 1 Lake Trout; 2 Whitefish; 2 Rainbow Trout; 2 Brook Trout; 2 Largemouth Bass; or 3 Perch. (example: you could have 1 Pike, 1 Walleye and 2 Rainbow Trout)
